This call serves as notification that equipment is disassembled, properly decontaminated, and stockpiled in one readily-accessible area available for immediate pick-up. Rental and/or labor charges will accrue if equipment is not cleaned and staged for removal. <u>IMPORTANT: Obtaining an Off Rent Call Confirmation Number does not release Customer from its obligations to safeguard and secure equipment, including maintaining required insurance coverages, while equipment remains under Customer's care, custody or control pending return of all rented equipment to Owner.
